

## Display at 'Past Times Exhibition' 14<sup>th</sup> Feb 2009

The 'Past Times' Exhibition, organised by Pam Smith, was very well attended, and we were able to have two tables and a wall display. We showed photographs old and modern, maps of the Common dated 1898, and a current map, which located trees which have been surveyed as part of a tree survey, together with other information.

A great deal of interest was shown both from local people and from those living further a field. Some 33 people joined 'Friends of Naphill Common' which is a very encouraging start to our group.

We would like to thank Pam Smith for allowing us to use some of her precious space. We would also like to thank Steve Rodrick (Chiltern AONB) for organising the design and the printing of our leaflet.
