

Long Walk 21st January 2013 – West Wycombe

On Monday 21st January Ron Collins led a Long Walk from Naphill Village Hall and back via West Wycombe, the Red Lion (we did not stop here), the Black Lion (we did stop here) and back to the Village Hall.

The weather was very cold, with a layer of snow on the ground.

We left the Village Hall at 10:05am and made our way through the snow to Cookshall Farm the across the fields to the railway tunnel opposite Flint Hall Farm. Having crossed the main road we made our way into West Wycombe via the big field on the corner opposite the garage. In West Wycombe we went between building on our right and up the hill towards the Church. It was up here that we stopped for tea and coffee (see picture below © Dave Talbot).

After our break we made our way along a track to Nobles Farm where we turned right down the hill to the Red Lion. From here we went past Bradenham Manor, up the hill to the Umbrella Tree and The Clumps and on to the Black Lion in Naphill to warm up and have a well earned drink and something to eat.

Many thanks to Ron for leading this walk.
