

## **Walk for Health 8<sup>th</sup> June 2009**

Our second walk of just under four miles took place on 8 June when a total of 15 of us walked through to Hughenden Park. Although it was not particularly warm for a June day it turned out better than expected as rain was forecast, but we managed to return home without getting wet! Most of the walkers had been on our first walk so it was quite a social event with much chatter from start to finish. This walk was slightly longer than the last but we were back at the Village Hall in one hour forty five minutes
